General Willard Webb,  
Clifton, Virginia.

Dear Willard,

There is a Hungarian refugee here in Denver who has lived here for about 7 years. He wants me to see if I can do a certain thing for him.

That certain thing is: can I establish contact between our Department of Defense and a certain Hungarian general, now living in Austria, who wants to begin training a guerilla force for future action.

These things cannot be done very well in writing so I have wondered if you would be able to contact someone personally in the Department of Defense and find out which way I should turn to make some sort of contact?

Anything you can do would be greatly appreciated.

With kindest regards, I am

Sincerely yours,
